

Adding Your Voice to College Class Discussions

What are three barriers to integration into classroom discussions?

-
-
-

What are three common misperceptions about your country and culture? What should your American classmates know that they do not know about your country or culture?

-
-
-

Let's travel back a bit in time. What were some important public policy issues, concerns, debates, or problems in the following years? (If you don't know the exact year, consider the surrounding five year period.)

2014:

1964

1914

1864

1814

1764

What are three important themes or issues in your native nation's history? Why are these important and significant?

-
-
-

What are three important stories from your country or tradition for you? Why are these stories important?

- 1.
- 2.
- 3.
